### Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 - Notice of Special Urgency

The Shadow Authority is required to give at least 5 days notice if it intends to make an urgent key decision. If the Shadow Authority is not able to give the required notice it must obtain the agreement of the Chair of the Shadow Overview and Scrutiny Committee or other relevant person for the decision to be made as a case of special urgency, and then give notice of the reasons why the making of the decision is urgent and cannot reasonably be deferred. This also applies to items that may require the Shadow Executive to meet in private and where it has not been possible to provide the required notice of this fact. This procedure is reflected in Part 4 a) of the Shadow Authority's Constitution, at paragraphs 13 and 17.
