Appendix A – Scale of Fees

1. Purpose

- 1.1 To seek agreement for a scale of fees for the Returning Officer and note fees and charges in connection with unitary, town and parish elections, parish polls and neighbourhood planning referendums.

2. Recommendations

- 2.1 It is recommended that the Shadow Executive Committee;
- 2.1.1 approves the Returning Officer fees listed at Appendix A to this report.
- 2.1.2 Notes all other fees and charges within the Scale of Fees at Appendix A

3. Reasons

- 3.1 To ensure that there is a consistent and transparent approach to payments for administering elections within North Northamptonshire

4. Background

- 4.1 The Representation of the People Act 1983 requires the council to appoint an officer of the council to be the Returning Officer in local elections; for North Northamptonshire the Chief Executive is the appointed Returning Officer. For all other elections, the appointment is by legislation.
- 4.2 The role of the Returning Officer is to prepare, plan and manage elections. It should be noted that it is distinct and separate from the substantive Chief Executive role and therefore when acting as Returning Officer, he is directly accountable to the courts as an independent statutory officer rather than accountable to the Council. A natural consequence of this is that should legal

action be commenced due to actions taken in respect of the election, it shall be taken against him personally.

- 4.3 It is a legislative requirement that the Returning Officer's expenditure in delivering an election is met by the Council. Expenditure includes staff payments and any necessary disbursements.
- 4.4 Although the Returning Officer may determine a scale of fees and charges which will enable him to deliver a successful election, it is considered prudent that the council note the proposed scales of expenditure to ensure that they are aware of the financial envelope that the Returning Officer will work within. It should be noted however that these may be changed by the Returning Officer should he require it.
- 4.5 A Northamptonshire wide Scale of Fees is proposed to ensure that there is consistency across the whole of Northamptonshire and that staff know that there is no difference in remuneration between the electoral areas. There are similar arrangements throughout the country. It should be noted that proposed staff fees are not less than they have been in the sovereign Councils.
- 4.6 The proposed Scale of Fees at Appendix A has been drafted following consultation with colleagues within Northamptonshire and an examination of best practice from around the country. Further, the scale was submitted to the Association of Electoral Administrators (AEA) which is the body that represents election professionals in the UK for comment, and the AEA agreed that they were fair and reasonable in comparison to other scales adopted by other Councils.
- 4.7 Members previously agreed that Town and Parish Councils will be recharged for the cost of administering elections on their behalf and the proposed scale also helps to provide some indication to parish and town councils of the likely costs they will be liable to incur.
- 4.8 Returning Officer fees vary throughout the country and there is not a standard approach or formula to determining them. The proposed fees are set out within the Scale of Fees at Appendix A. They were reached by consulting with the district and borough councils within North Northamptonshire, councils throughout the East Midlands and other councils of a similar electorate size to the new council.
- 4.9 In relation to the proposed Returning Officer fees for administering the election of members of North Northamptonshire, they are based upon the agreed fee of £490 per ward for the 2017 Northampton County Council elections but with a small uplift of £60 based upon the complexity of delivering elections based on a 3 member electoral ward.
- 4.10 In some instances, the proposed Returning Officer fees would mean that they would be lower than that payable for a three member ward for an existing Council, which would be for example £650 for Kettering Borough and around £850 for East Northants. In the other two areas, the fee would be largely the same.
- 4.11 The proposed fees are considered to be reasonable and proportionate considering the geographical size of the area, electorate number and complexity of three member wards.

- 4.12 The fees for conducting Parliamentary and Police and Crime Commissioner elections are regulated by the Returning Officers' Fees and Charges Orders made by Government.

5. Resources and Financial

- 5.1 Town and Parish Councils would be recharged for the administration of elections on their behalf.

6. Consultation

- 6.1 As outlined in the report, consultation has been undertaken with elections teams within the District and Borough Councils. The AEA was also consulted on the proposed staff fees.

- 7.1 None.

8. Climate Impact
