Motion 3

To be proposed by Cllr Valerie Anslow and seconded by Cllr Lyn Buckingham-

“It is clear that the country as a whole is in the midst of a real and continuing housing crisis, we acknowledge the enormous challenge and pressure faced by our members of Staff on homeless presentations in recent years.

Whilst we acknowledge the pressures, we also feel much more should be being done by this council to put housing and homelessness on top of the agenda.

There are blockages and delays in our house building/development programmes which although could be perceived as down to external forces, also see us prepared to be selling off surplus land instead of finding constructive ways to build.

We have seen over the past two years, massive delays in processing housing applications, far in excess of the time needed to prevent homelessness effectively, which although reported that the backlog being cleared, the backlog is again growing to an unacceptable over three months wait for applications being processed.

We have seen homeless families be moved away from support and education networks because of lack of temporary accommodation, bringing disruption and chaos for families already facing hardship.

Despite this Council putting forward resources to assist with rough sleeping programmes, (building on the successes of finding bed spaces during the height of the Covid pandemic) it seems that very little progress is being made in this area also partnering with the Voluntary, Community and Social Enterprise.

This motion asks that North Northamptonshire Council develop its vision and strategy for the building and development of social housing and prevention of homelessness including, if appropriate, a review of the allocations strategy to support programmes that prioritise our duty under the armed forces covenant, the growing need for homeless provision for single women and young care leavers, in North Northamptonshire. Acting quickly and decisively ensures that right to buy receipts are not swallowed by raising build costs and that North Northamptonshire Council also commit further investment in housing.”
