<b>Agenda Item No</b>	<b>Topic</b>	<b>Decision</b>
		<p><b>Motion 1</b></p> <p>That the following motion be approved:-</p> <p>“North Northants Council is committed to supporting local farmers. Britain has some of the highest animal welfare standards in the world and N.N.C should engage and work in partnership with our arable and livestock farmers to ensure their ability to enhance our magnificent countryside. We need to strive to support them by being sympathetic to diversification opportunities, including the promotion of local produce.</p> <p>Elected Members will be vocal in opposing excessive regulation by central government, enabling them to prosper. Keeping in mind our commitment to the climate emergency, NNC should, wherever possible, encourage people to shop locally, taking advantage of home-grown, affordable and nutritious food, both plant and meat based, thus reducing the “food miles” on our plates.”</p> <p><b>Motion 3</b></p> <p>“That consideration of the motion be deferred until the next ordinary meeting of Council, where it will be placed on the agenda as the first motion on notice for consideration.”</p>
