Information on voting

Every item which requires a decision to be made at a meeting of the Forum will be determined by a majority of the votes of members present and voting on the issue. In the case of an equality of votes the Chair will have a second or casting vote.

School and non-school members are eligible to vote on all matters requiring authorisation or approval except:

- a) de-delegation is limited to the specific primary and secondary phase of maintained schools' members;
- b) amendments to the school funding formula, for which the voting is restricted by the exclusion of non-schools' members,
- c) amendments to the early years funding formula, for which the voting is restricted by the exclusion of non-schools' members, except for PVI representatives
- d) retaining funding for statutory duties relating to maintained schools only is limited to maintained primary, secondary, special and PRU members.
- e) amendments to Scheme for Financing Schools – maintained school members

It is the responsibility of the forum member to declare their 'disclosable pecuniary interest'. The forum member can make a short presentation at the start of the agenda item and then not participate in the discussions or vote on the item to which their interest is relevant.
