LICENSING SUB-COMMITTEE 07 March 2022

Report Title	Application for a Variation to a Premises Licence
Report Author	Iain Smith Assistant Director of Regulatory Services Iain.Smith@northnorthants.gov.uk

List of Appendices

- Appendix A – Application Form
- Appendix B – Premises Licence
- Appendix C – Representations
- Appendix D – Location Maps

1. Purpose of Report

- 1.1. To obtain the sub-committee's decision in respect of an application to vary a Premises Licence for the Half Moon Inn, 42 Main Road, Grendon, Northamptonshire, NN7 1JW

2. Executive Summary

- 2.1 The application to vary the Premises Licence has attracted four representations against granting the application. The report sets out the background to the issue and invites the sub-committee to determine the application.

3. Recommendations

- 3.1 The sub-committee is recommended to consider whether to:
- Grant the application as requested
 - Grant the application subject to such conditions that are necessary to promote the licensing objectives
 - Refuse the application wholly or in part where it is necessary in order to promote the licensing objectives

4. Report Background

- 4.1 An application has been submitted for a Variation to the Premises Licence under the Licensing Act 2003, to extend the permitted hours for the sale of alcohol and the performance of music, with extended opening hours.
- 4.2 The full timings are detailed within the application included within Appendix A. A copy of the existing premises licence is included within Appendix B.
- 4.3 Following consultation, representations were received from three Interested parties and one responsible authority - the Environmental Protection team. These are included within Appendix C. The representations object to the granting of the licence on the grounds that the licensing objectives, as prescribed by Section 4(2) of the Act, are not likely to be met. The relevant licensing objective is;
- the prevention of public nuisance;
- 4.4 No representations were received from the other responsible authorities – Police, Fire & Rescue Service, Child and Adult Services, Planning, or Child Protection.
- 4.5 Maps are included within Appendix D showing the location of the premises.

5. Issues and Choices

- 5.1 Interested parties have raised concerns over the operating hours requested within the application and have concerns that this will cause a disturbance to local residents from potential noise, both from patrons accessing and leaving the premises and from entertainment inside and outside the premises.
- 5.2 The Interim Environmental Protection Manager has detailed concerns over the proposed later closing time of 1.00am and has stated that this could result in noise disturbance from patrons leaving, voices travelling, car movements and music. The officer has stated that potential conditions could be added to the licence to control the noise from music inside the public house if the sub-committee is minded to grant the application with conditions, however she has raised a concern that noise will travel to nearby properties from external activity and entertainment and as such it would be difficult to place sufficient controls to prevent a noise nuisance from arising.
- 5.3 Members should be mindful of chapter 9 of the guidance issued under Section 182 of the Licensing Act 2003 by the Secretary of State, which provides guidance on the powers of the licensing authority on the determination of applications.
- 5.4 Chapter 10, of the Secretary of State's Guidance, provides advice and recommendations in respect of conditions which may be imposed on a premises licence where they are appropriate for the promotion of one or more of the four licensing objectives. Conditions may not be imposed for any other reason.
- 5.5 Members should also take into consideration the council's Statement of Licensing Policy and relevant sections in respect to this application are listed

below. The list is not exhaustive, and the policy should be considered fully prior to making decisions with respect to applications:-

11.1 Consideration will always be given to the individual merits of an application in line with the four licensing objectives and any relevant representations. This Authority recognises that longer licensing hours with regard to the sale of alcohol need to be managed effectively to ensure that the concentrations of customers leaving premises simultaneously are avoided. This is necessary to reduce the friction at late night fast food outlets, taxi ranks and other sources of transport, which may lead to disorder and disturbance.

11.2 However, when issuing a licence with hours beyond 23.00 hours, higher standards may be expected to be included in Operating Schedules to address the Licensing Objectives especially premises which are situated near to residential properties.

11.3 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

11.4 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place.

5.9 Whilst having regard to the information provided by the applicant, the representations, and the council's Statement of Licensing Policy, the sub-committee's decision must be made with a view to promoting one or more of the four licensing objectives, namely:

- (a) the prevention of crime and disorder;
- (b) public safety;
- (c) the prevention of public nuisance; and
- (d) the protection of children from harm.

6. Implications (including financial implications)

6.1 Resources and Financial

6.1.1 There are no financial implications to the authority in relation to this report.

6.2 Legal

6.2.1 The Licensing Act 2003 sets out how an application for a Premises Licence should be dealt with where valid representations have been submitted. The sub-committee need to decide the outcome of the application taking into account the licensing objectives.

6.2.2 In accordance with the provisions of the Act, if a Licensing Authority rejects in whole or in part, an application to vary a Premises Licence the applicant may appeal against the decision, to a Magistrates' court within 21 days of being notified of the decision. Similarly, where a person who made relevant representations in relation to the application contends that the application ought not to have been granted or that alternative or additional conditions should have been imposed on the licence, they may appeal against the decision, to a Magistrates' court within 21 days of being notified of the decision.

6.3 Risk

6.3.1 None

6.4 Consultation

6.4.1 As prescribed by the Licensing Act 2003, the application has been out for consultation to statutory consultees (Responsible Authorities) and any other persons for 28 days in the form of a notice displayed on the premises, and a notice published in a local newspaper.

6.4.2 Following this consultation four representations were received.

6.5 Consideration by Scrutiny

6.5.1 None

6.6 Climate Impact

6.6.1 None

6.7 Community Impact

6.7.1 None

7. Background Papers

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. To whom it may concern

I understand that the above public house has applied for amended opening times, drink and music licence.

As a resident who live's opposite the pub I wish to express my major concern with the application from 8am to 1am. I understand the 1am is for Friday and Saturday evenings only, however the 8am is daily.

I think this could be intrusive on our lives who live close to the pub. This could also cause the pub to become a 'late' drinking venue and would result in more noise caused by cars and people leaving in the small hours.

The outside music licence is also a major concern to those living near to the pub, as again this would become a noise issue late in the evenings.

The pub has recently allowed a cafe into the premises which opens daily at 10am, therefore why is there a need for an 8am start time for the licence.

Hope you will take my concerns into consideration when reviewing this application.

If you require a hard copy letter please do not hesitate to contact me.

Dear Sir/Madam,

Apologies for this intrusion, but keen to express a major concern with a current application from The Half Moon in Grendon on two issues:

- on Friday & Saturday, the extension of hours until 0100
- outdoor music to be permissible until late

The new Publican is making a very positive impression with the village and her customers; her enthusiasm is wonderful! However, these requests are too intrusive on those living near the pub, which includes us. Not only the potential noise late into the evening (cars and people), but also safety issues with cars arriving from other locations looking for 'late' drinks.

We are not the type of people, who complain for no reason, but we are worried by the potential results should these changes be permitted!

Kind regards.

Yours sincerely,

[REDACTED]

Comments from Grendon Parish Council to this application would be

The Parish Council very much supports the re-opening of the Half Moon Inn and has no objections to the bringing forwards of the opening times and closing times Sun -Thurs. However, we are concerned about the noise disturbance the application for both live & recorded music inside & out and the later closing times of 1am on weekends may cause for neighbouring properties.

Kind regards

Subject: RE: Licensing Representation

Afternoon,

Environmental Protection would like to make a representation on this application in relation to the potential for noise. The public house is situated in a residential area with sensitive noise development on all sides with low background noise levels particularly at night time.

The areas of the application we would be concerned about are the later closing times at 1.00 am which could result in noise disturbance with patrons leaving, voices travelling and car movements which would be very hard for the pub owners/DPS to control and also the music inside and outside. Controls could potentially be placed on music inside the public house, but externally the music will travel and it would be difficult to place sufficient controls to prevent a noise nuisance from arising.

In terms of complaints the council have had no recent complaints, but I am aware of historic complaints from this venue in relation to people noise outside and also amplified music and there is the potential for this to re-arise if it is not managed correctly.

Kind regards
