Dear Mr. Russell

Thanks for listening to the voice of taxi drivers/owners for increase in fare in Kettering which has not been increased during the last about 11 years. Inflation during that period has rocketed the price of fuel and other daily things through skies. I would suggest that hackney and private hire meters should start at following prices to address the recent inflation.

Tariff 1	£3.30	Subsequent increase 25p
Tariff 2	£4:95	Subsequent increase 35p
Tariff 3	£6:60	Subsequent increase 50p

It would be highly appreciated if Hackney carriage age limit is re-considered in Kettering. Our neighbouring towns has literally no age limits as we have seen old age hackneys operating in those towns.

Once again thank you very much for listening to cabbies' community.

King regards
