North Northamptonshire Place Development

North Place Delivery Group Function

- Oversee the development of the community wellbeing forums and LAPs
- Development and mobilisation of the North place 6-month delivery plan
- Further development of the engagement, coproduction with partners and through community activation
- To utilise existing delivery infrastructures throughout the development
- Implementation of the insight data tool data intelligence infrastructure to support prioritisation and decision making
- Supporting the response of the PCNs to the Fuller report and their alignment with the LAPs
- Set the tone of the place culture
- Supporting the delivery of the four ICS collaboratives where appropriate at place
- Utilising of estate enablers to support the developments – asset mapping
- Oversee the emergent voluntary sector infrastructure proposals within LAPs
- Further refinement of the North place shared vision, ambitions, and objectives based on the output of the National Place Development Programme underway
- Exploration of North Place transformational commissioning development opportunities, eg BCF
- Ensuring that the governance framework is simple, functional and enables the development and functioning of the LAPs and will support

North Place Delivery Group Inaugural meeting 22 August 2022

- ❑ The **LAP overall functions** were agreed as local design and ‘doing’ partnerships which will support the delivery function of the ICS collaboratives by bringing in the wider determinants of health aspects to address inequalities and support the delivery of the population outcomes , described in the ICS outcomes framework .
- ❑ **LAP boundaries** will start as being aligned to the existing North Council electoral wards
- ❑ One LAP to be agreed as the **prototype /pioneering LAP** and will accelerate its development and lessons learnt to be applied to the other emerging LAPS
- ❑ Progress on the approach to **mapping** of the LAP boundaries was presented which will encompass police beat boundaries, General Practice and future LAP asset mapping
- ❑ The **voluntary sector** infrastructure leads, and Voluntary Impact Northamptonshire(VIN) presented a proposal on working collaboratively to support the development of the LAPs. National grants for the North VCSE development have been secured.

North Place Delivery Group Inaugural meeting 22 August 2022

- Community Wellbeing Forums** – review of the Healthwatch led review of the existing forums to be considered as the developed function of the CWF's progresses
- ICS and **local community and engagement** leads will work with North Place development leadership and Healthwatch to start to explore and test the community engagement approach for the LAPs in preparation for their development
- GP lead** nominations for the new four GP locality boards has completed and four GP leads have been confirmed . North GP leadership touchpoints are being planned to ensure the North Place development work is embedded into the locality meetings routinely.
- Public Health** leads have established a North business intelligence forum to progress the data and intelligence insight and tools for the LAPs, including an asset-based mapping approach
- Strengthened connectivity with the **ICS Population Health Management group** is to be progressed
- The **terms of reference** were agreed
