

Equality Screening Assessment

The Equality Screening Assessment form must be completed to evidence what impact the proposal may have on equality groups within our community or workforce. Any proposal that identifies a negative impact must have a full Equality Impact Assessment completed before the proposal progresses further.

1: Proposal

Requirement	Detail
Title of proposal	Barnwell Neighbourhood Plan
Type of proposal: new policy / change to policy / new service / change to service / removal of service / project / event/ budget	New policy
What is the objective of this proposal?	The plan will guide development decisions within the parish of Barnwell. It will be used alongside the North Northamptonshire Joint Core Strategy and East Northamptonshire Local Plan Part 2 when adopted and other material considerations to make decisions on planning applications for individual development proposals in the parish.

Requirement	Detail
Has there been/when will there be consultation on this proposal? (List all the groups / communities, including dates)	Preparation of the plan included extensive community engagement and culminated in a successful referendum. Details of the engagement are set out in the Statement of Consultation prepared by the Parish Council which is available at https://www.barnwellparishcouncil.org.uk/neighbourhood-plan
Did the consultation on this proposal highlight any positive or negative impact on protected groups? (If yes, give details)	No
What processes are in place to monitor and review the impact of this proposal?	Barnwell Parish Council has a duty to keep the plan under review. The Neighbourhood Plan will need to be monitored and reviewed in light of the emerging results of the Census 2021.
Who will approve this proposal? (Committee, CLT)	Executive

2: Equality Consideration

In turn, consider each protected group to ensure we meet our legal obligations of the Equality Act (2010).

Protected Groups	General Equality Duty Considerations	Changes	Impact
	<ul style="list-style-type: none"> • Include factual evidence of how people in this group may be affected. • Consider the outcomes and processes. • Does this seek to eliminate discrimination? • Does this promote fostering good relations? 	<ul style="list-style-type: none"> • What changes can be made to mitigate any negative impact? • Are there opportunities to remove possible barriers or disadvantages that a group may face? 	Delete as appropriate. There can be more than one answer per protected group.
Age	With regard to age, North Northamptonshire has a youthful population, with more than a fifth of the		Positive
