Dear Sir/Madam,

RE: Car Park Area, Wollaston Working Mens Club, 75 London Road, Wollaston

Thank you for your letter of 10 May in connection with the above application for Street Trading Consent.

Wollaston Parish Council objects to the Street Trading Consent due to the issue with parking in the area. It is a concern any additional trade by cars attending the site will impact on an already busy part of the village and excess noise from customers late into the evening.

Please ensure this letter of objection is presented to the committee.

Yours faithfully,

[REDACTED]

Clerk, On behalf of Wollaston Parish Council

Office Hours: Monday office closed, Tues & Thurs 9am to 1.30pm, Weds 10am to 3pm, Friday 9am to 1pm (subject to training and site visits).
