

Consultation on Draft Residential Annexes SPD
Monday 22nd February – Monday 22nd March 2021

Schedule of representations received:

Reference	Organisation	Comment	Council Response
RA/01	Rushden Town Council	Pleased with the SPD/ no further comments.	No action
RA/02	Thrapston Town Council	Found the document useful/ in full support.	No action
RA/03	Irthlingborough Town Council	We welcome the content/ advise further consideration of illustrations – notably: Colour photographs on pages 2 and 18 should be more subdued/ illustrate timber or imitation timber – to blend into surroundings/ converted container should be moved/removed from heritage section of text/ a converted outbuilding next to a listed building would be more appropriate. Drawing of accommodation over a garage is a good example.	Photographs and illustrations to be reviewed/ changed. Examples used were stock references as Covid-19 pandemic restricted site visits. Action
RA/04	Stanwick Parish Council	We welcome inclusion of climate change mitigation measures (and hope this will be extended to other areas of planning policy).	Noted
RA/05	Kings Cliffe Parish Council	In full support of application.	No action
RA/06	Gretton Parish Council	No comments.	No action
RA/07	Northamptonshire Highways Officer	No further observations.	No action

RA/08	East Northamptonshire Council Development Management	The DM Team would like to highlight the importance that applications should demonstrate a degree of dependency on the main dwelling.	Noted – text to reflect importance/ degree of dependency has been demonstrated. No action
