### **3. Recommendations**

---

3.1. It is recommended that the Executive:

- i) Approve the content of the Northamptonshire Corporate Parenting Board Annual Report which gives an overview of the Corporate Parenting Board’s activities.
- ii) Note that the Northamptonshire Children’s Trust Corporate Parenting Strategy 2021-25 sets out four key priorities and the update on each areas progress contained in the annual report.

3.2. Reasons for Recommendations:

- To promote and monitor the Northamptonshire Children’s Trust Corporate Parenting Strategy.
- To encourage all Members and employees to recognise their role as corporate parents.
- Provides members with an overview of the work of Northamptonshire Children’s Trust and supports the discharge of their Corporate Parenting duties.

3.3 Alternative Options Considered – Do Nothing – The Council has statutory duties as Corporate Parent for children in care and care leavers. Whilst the role of the Director of Children’s Services and Lead Member is defined in legislation there are wider corporate responsibilities on all staff and elected Members. Not approving the Corporate Parenting Annual Report would mean that the Council may fail to deliver all or parts of its statutory responsibilities in this area.

### **4. Report Background**

---

4.1. Local Authorities and their partners are responsible for ensuring that Children in care and care leavers are as safe and well cared for as any other child. This responsibility is called ‘Corporate Parenting’ and applies equally to children who have entered the UK from overseas and are separated from their families. Corporate Parenting responsibilities rests not only with social workers and their

managers, but also Council Officers and Members and any other agency that provides services and support to children in care such as health services, housing departments, the police and schools. Corporate parents have specific duties for young people leaving care and making the journey to independence.

- 4.2. The report sets out the role, structure and activity of the Corporate Parenting Board, including progress achieved against the Northamptonshire Children's Trust Improvement Plan and the Corporate Parenting Strategy.

## **5. Issues and Choices**

---

- 5.1 Being a Corporate Parent means doing everything we can for every child in the Council's care, and every care leaver, to give them the opportunities that other children get. This covers everything from keeping an eye on their progress at school, to looking after their health and wellbeing, to preparing them for life as independent adults – and supporting them when they get there.
- 5.2 The Council has statutory duties as a Corporate Parent for children in care and care leavers. Whilst the role of the Director of Children's Services and Lead Member is defined in legislation there are wider corporate responsibilities on all staff and elected members.

## **6. Next Steps**

---

- 6.1. For the Northamptonshire Corporate Parenting Board Annual Report to be presented to Members in accordance with the Council's governance framework.

## **7. Implications (including financial implications)**

---

### **7.1. Resources, Financial and Transformation**

- 7.1.1. The annual report sets out the Council's Corporate Parenting responsibilities and aspirations for children and young people and is intended to help the local authority devote appropriate finances and resources to meeting these aims.

### **7.2. Legal and Governance**

- 7.2.1 The collective responsibility for Local Authorities in terms of Corporate Parenting is set out in the Children Act 1989 and the Children (Leaving Care) Act 2000. The central role of councils as effective Corporate Parents has been emphasised by government in the publications Care Matters: Time for Change (DCSF 2007), Care Matters: Time to Deliver (DCSF 2008) and consolidated in aspects of the Children and Young Persons Act (2008) alongside other legislation and statutory guidance that determines our duties as set out in the annual review. The Board itself is not a statutory body, however, selected

service reports are required to be seen by a suitable oversight body, and Board fulfils this function.

### **7.3. Relevant Policies and Plans**

7.3.1. The Annual Report aims to help the Council and Northamptonshire Children's Trust meet its Corporate Parenting objectives and priorities.

7.3.2. The Council has identified 'Brighter, Better Futures' as a key priority of the corporate plan.
