Tourism Strategy	<p>Members felt that there was the ability to put in place good infrastructure to encourage visitors to stay in the area for longer but that this would require working with the relevant business' and as suggested the Local Authority could do more to encourage planners to engage with those submitting applications for camping, glamping, and hotels.</p> <p>Ideas such as Historic Churchyard Maps were suggested for those trying to track down ancestors, information providing places to visit in a local area that could be visited over several days making travelling easier. Northants had a history of Shoe Making, promote it, Corby has a Heritage Centre, could be open longer.</p> <p>Promoting accessibility for the disabled, helping farmers to diversify,, younger people attracted by music, crafts etc. there was a need to look at funding, if packaged properly we can access funding.</p> <p>A full Member session would be helpful to bring in more ideas.</p> <p>Explore crossing borders (promote the area elsewhere e.g. transport, trains from the north, golf courses, fishing etc. the Green Festival was not internally promoted.</p>
