The Chair made the following announcements:-

### **Civic Engagements**

Both the Chair and Vice-Chair had been busy in recent weeks including meeting with recipients of the Rose of the Shire Awards to present their rewards.

### **Northamptonshire Community Foundation**

Rachel McGrath, Chief Executive of Northamptonshire Community Foundation was invited to provide a brief presentation to councillors.

The presentation set out the background to and the work undertaken by the Foundation, in that it was a charity giving back to the county by providing access to

funding for community based action to improve the lives of Northamptonshire's most disadvantaged people and communities.

The Chair thanked Rachel for a very informative presentation and hoped all councillors found the wide ranging opportunities that the Foundation provided was of interest.

### **Cllr Willie Latta**

The Chair wished to express her condolences at hearing that Cllr Willie Latta, who was an alderman of Corby and served the Borough as a councillor for 26 years has passed away.

Cllr Keane added words of tribute, noting that he was a hard working and much respected councillor who was originally elected to Corby Borough Council in 1995. He had been mayor of Corby in 2002/03 and was made an alderman of Corby in March 2021.

Cllr Latta had been involved in town projects such as the town centre regeneration, establishment of the Cube, the swimming pool and Priors Hall. He had retired at the last election, had continued to be a mentor to councillors and was highly respected across Corby. He would be much missed.

## **269 Leader's Announcements**

On behalf of the Conservative members of the Council, the Leader confirmed that all members of the community were treated equally and without bias. In June 2023, Councillor King Lawal had posted a tweet, following which the Council's Monitoring Officer had received complaints of breaches of the Council's Member Code of Conduct.

As leader of the Conservative Party, swift action was taken pending determination of the complaint. Following due process and the completion of the complaint process, he wished to invite Councillor Lawal to address Council.

Councillor Lawal addressed Council in the following terms:-

'On 29<sup>th</sup> June 2023 I posted a tweet which I understand some people were offended by. The tweet was an expression of my Christian faith by quoting passages from the bible. As a councillor I act equally for the residents of the areas in which I am elected in all areas of debate and discussion I represent all members of my constituency without fear or favour and undertake my role as a councillor with impartiality and without bias. My intent in posting the tweet was not to cause harassment, alarm or distress to any person or persons.

Thank you.'

## **270 Public Participation**

The Chair noted that there were no public statements on this occasion.

The following member of the public asked a question to Council in accordance with meeting procedure rule 16.

Mr Chris Ashton – asked if the Council was prepared to administer a recall petition should this take place in Wellingborough constituency? If so, would the Council publish guidance on the rules and conduct of a recall petition to assist local electors.

Adele Wylie, Petitions Officer answered that following notification from the Speaker of the House of Commons, the Electoral Services team had put in place arrangements to deliver a recall petition. The Council was well prepared to administer urgent matters such as a recall petition. The Council's website would have information about the recall petition and how registered electors could sign the petition within the Wellingborough Constituency. In addition, registered electors would receive a Notice of Petition (like a Poll Card in an election) to ensure that they knew how and where to sign the petition should they wish to do so.

Mr Ashton asked the following supplementary question – What timeframe would be on receiving Notices of Petition?

Adele Wylie answered that they would be sent out on or around 3<sup>rd</sup> November 2023.

The Chair thanked Mr Ashton for asking his question and for the officer response.

The recommendations in the report were proposed by Cllr Wendy Brackenbury and seconded by Cllr Lora Lawman.

Following conclusion of the debate, the motion was voted on, with 57 councillors in favour, 3 abstaining and 1 against.

The motion was duly **approved**.

**Resolved:-**

That Council:

- i) Approves the content of the Northamptonshire Corporate Parenting Board Annual Report which gives an overview of the Corporate Parenting Board's activities.

Whilst the role of the Director of Children's Services and Lead Member is defined in legislation there are wider corporate responsibilities on all staff and elected Members. Not approving the Corporate Parenting Annual Report would mean that the Council failed to deliver all or parts of its statutory responsibilities in this area.*

The Environment Agency has primary responsibility for the River Nene. NNC is one of many that has riparian responsibilities and also an important role in flood management.

This Council will:

Ask the Environment Agency to provide the current levels of pollution in the Nene River and North Northants waterways;

Continue to engage with the EA and Ofwat to understand what work is being undertaken in North Northamptonshire to protect waterways and consider options for ensuring the health of our waterways including, but not limited to, investigating Bathing Water Status for key leisure areas;

Continue to engage with the EA and Ofwat on the processes for feeding in reports of pollution incidents.”
