

# ASC strategy - Person Journeys & headline messages

- ❑ The draft strategy is a **framework** that brings together all current developmental work and sets a five year direction of travel for the people of North Northamptonshire
- ❑ It is a **draft strategy Version 12 developed through staff conversations** within the directorate and builds on what we need to keep doing and what we would like to change
- ❑ It is a document that **has a way of working at its heart** and will be embedded into day to day work as we move forward
- ❑ **After staff feedback on version 12** – the next draft will start to move through the rest of NNC and with North system partners eg health, police, EMAS
- ❑ **System partnership boards** will be used to ensure ownership of the strategy eg North place development board
- ❑ **Roadmaps** of all the meetings and committees it will pass through has been developed
- ❑ Connection with the development of the **NNC housing strategy** will happen
- ❑ **Implementation planning** of what this means operationally will be **developed with staff in early 2024**
