Appendix A – DRAFT Corporate Plan (Sections relevant to this Panel)

1. Purpose of Report

- 1.1. To present the relevant sections of the draft Corporate Plan to the Executive Advisory Panel for consideration that relate to Health, Wellbeing and Vulnerable People and to ensure the opportunity to provide advice and feedback to the Executive.

2. Information

Background

- 2.1 A report was considered at the meeting of the Executive on the 15th July 2021 setting out an indicative process and timeline for the development of a Corporate Plan for North Northamptonshire Council. That report sets out the rationale and purpose of the Corporate Plan along with an indicative timeline for the Corporate Plan's adoption at Full Council and therefore provides important context when considering this item. See section 5 below for more details.
- 2.2 A stakeholder consultation will be carried out prior to the endorsement of the Plan at the Executive. Members should be mindful that a report setting out a draft vision for the Council was also considered by the Shadow Authority earlier this year. This followed comprehensive consultation with key stakeholders in 2020. The draft vision statement endorsed by the Shadow Authority has directly shaped the draft vision set out in the attached draft Corporate Plan.

- 2.3 Consideration of the draft content of the Corporate Plan at the Executive Advisory Panel is an important part of developing the Plan's content. Members of the Executive Advisory Panel are invited to comment on the draft content of the plan and provide advice and feedback to the Executive on its content and any related considerations.
- 2.4 Members should be aware that the plan is work in progress. Executive Directors are working with Executive Members to develop its content. The feedback from the Executive Advisory Panel will inform this process.
- 2.5 The sections of the Corporate Plan that are relevant to this Executive Advisory Panel are set out as Appendix A of this report.
- 2.6 The Corporate Plan will be a high-level document. There will be more detailed information about the actions to deliver the Corporate Plan within Service Plans which will be developed once the Corporate Plan has been drafted. The Corporate Plan is therefore a vital initial building-block in setting the broad strategic direction of the Council.
- 2.7 The timeline for developing the Plan is tight but achievable. Given that this is the first Corporate Plan for the new Council, it is envisaged that the Corporate Plan will continue to be developed with an opportunity to take stock of its content annually through the Council's Constitutional processes.
- 2.8 Delivery of the Corporate Plan will naturally be subjected to the rigour of the Council's Scrutiny function moving forward. The Corporate Plan will set out actions and targets that will allow Scrutiny the opportunity to determine its priorities for future attention.

3. Timeline for Consideration

- 3.1 The indicative process and timetable for adoption of the Corporate Plan is set out below:

Date	Activity	By Whom
18 August – 2 September	Consideration of the Corporate Plan and recommendations made to the Executive	Executive Advisory Panels
September 2021	Stakeholder Consultation	Feedback will be considered by the Executive

4. Recommendations
