

Climate Change Impact Assessment Tool (v1)

Directorate & Service Area	Hierarchy: Leisure Service Communities & Leisure Public Health & Wellbeing
Report Name	Kettering Leisure Village Options Review
Report date	23/02/24
Report author & role	Kerry Purnell Assistant Director - Communities &
Proposal Summary	This report details the current position in relation to Kettering Leisure Village, clearly restates that the Council is not in control of the site and has limited step-in rights, and introduces a review of the potential management options should the site come back into Council control , either in an emergency situation or in the shorter term pending the options appraisal of future management for the whole of the NNC Leisure estate being brought forward and implemented.
