1. Purpose of Report

- 1.1. To obtain the Sub-committee's decision in respect of an application for a new premises licence for Corby Rugby and Cricket Club, Rockingham Road, Corby, NN17 2AE.

2. Executive Summary

- 2.1 An application for a new premises licence for Corby Rugby and Cricket Club was received on 21 November 2024. The appropriate notices were displayed, and the advertisement was placed as required.
- 2.2 One representation was received on the grounds of Public Nuisance. The report therefore invites the Sub-committee to determine the application.

3. Recommendations

- 3.1 The Sub-committee is asked to consider the new premises licence application.
- 3.2 Each application must be considered on its own merits and any conditions attached to licences and certificates must be tailored to the individual style and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises where there is no need for such conditions. Standardised conditions should be avoided and indeed, may be unlawful where they cannot be shown to be necessary for the promotion of the licensing objectives in any individual case.

4. Report Background

4.1 The application requests to allow licensable activities to take place at the premises (indoor and outdoor). The application form and plan can be seen at **Appendix 1** and **Appendix 2**.

4.2 The matters for which the premises licence is sought are detailed below:

Sale of alcohol for consumption on the premises:

4.3 During the consultation period, one representation was received from a local resident.

4.4 The representation is against the application and is concerned with public nuisance and possible anti-social behaviour, caused by music noise and patrons leaving the premises.

4.5 The representation can be seen at **Appendix 3**.

4.6 A map of the area showing the licensed area in relation to the objector and nearby properties can be seen at **Appendix 4**.

5. Issues and Choices

5.1 Determination

5.1.2 The Sub-Committee must conduct its functions to promote the licensing objectives having regard to:

- The Licensing Act 2003
- The Council's Licensing Policy
- S182 Guidance

5.1.3 The Act states that the hearing shall have regard to the representations and following a hearing the Sub-Committee may take any of the following actions if they deem them necessary to promote the licensing objectives:

- Grant the licence subject to operating schedule and mandatory conditions only
- Grant, subject to further conditions necessary for the promotion of the licensing objectives
- Refuse the application in its entirety.
- Refuse elements of the application

5.2 Policy Considerations

5.2.1 This section highlights the elements of the licensing policy that are most relevant with respect to this application. This is not exhaustive, and the policy should be considered fully prior to making decisions with respect to applications: -

- *2.12 This Licensing Authority will also have regard to wider considerations affecting the residential population and the amenity of any area. These include littering, fouling, noise, and street crime.*
- *2.13 In determining a licence application the overriding principle adopted by the Licensing Authority will be that each application will be determined on its merits. Only mandatory conditions and conditions relevant to the operating plan will be imposed except where relevant representations against an application are received. Where relevant representations are received then further additional conditions to meet the licensing objectives may be added provided they are appropriate, proportionate, and reasonable and deal with the issues raised. Licence conditions will not be imposed where other regulatory regimes provide sufficient protection to the public (e.g. Health and Safety at Work and Fire Safety legislation).*

5.3 Section 182 Guidance Considerations

5.3.1 Section 9.31 to 9.41 highlights the elements of section 182 Licensing Guidance that are most relevant with respect to this application. This is not exhaustive, and guidance should be considered fully prior to making decisions with respect to applications.
