Directorate & Service Area	Directorate & Service Area
Report Name	Private Sector Housing Assistance Policy
Report date	16th January - Executive
Report author & role	Amy Plank, Interim Strategic Lead for Private Sector Housing
Proposal Summary	The revised Policy is intended to facilitate and widen the scope for more discretionary Disabled Facilities Grant, to enable NNC residents to live longer and more independently in their own homes, including Home Repair Grants.

Category	Impact	Notes / Justification for score / existing work (see guidance sheet or CCIA detailed notes for more information)	Score (-5 to +5)	Mitigations (If the impact is negative, please provide a mitigating action for reducing the impact going forward)
Buildings	Building construction	Ground floor extensions that are sometimes provided will be of traditional build, in line with Building Regs.		
Buildings	Building use	The building uses for disabled people will not provide negative or positive impact.		
Buildings	Green / blue infrastructure	Not applicable to this Policy.		
Business	Developing green businesses	N/A		
Business	Marketable skills & training	N/A		
Business	Sustainability in business	N/A		
Energy	Energy efficiency	Any new boilers that are installed would be energy efficient.		
Energy	Reducing energy demand	Installations of any thermal benefit, e.g. loft insulation, would reduce the need for heating requirements from the boiler.		
Energy	Switching to low-carbon energy supply	Solar and air source heat sources would be considered as an alternative to new boilers for Home Repair Grants.		
Influence	Communication & engagement	N/A		
Influence	Wider influence	N/A		
Influence	Working with communities	N/A		
Influence	Working with partners	Some element of case study sharing and best practice will be shared across partners internally and externally.	+2	
Internal Resources	Material / Infrastructure requirement	No direct impact.		
Internal Resources	Staff time requirement	No additional staff required to implement this policy.		
Internal Resources	Staff travel requirement	No additional mileage will be incurred.		
Internal Resources	External funding	The policy outline what grants are available what criteria are required for people to be eligible. Only from the external budget provided from central government, no additional funding options, no impact here.	+2	
Land use	Carbon storage	No impact.		
Land use	Improving biodiversity adaptation	No impact.		
Land use	Natural flood management	No impact.		
Procurement	Food & Drink	N/A		
Procurement	Products	N/A		
Procurement	Single-use plastic	N/A		
Procurement	Services	N/A		
Transport	Decarbonising vehicles	No impact.		
Transport	Improving infrastructure	No impact.		
Transport	Demand reduction	Travel patterns and efficiency savings from Officers can be mapped out and explored.		
Transport	Supporting people to use public transport	The policy will have no impact on this but Officers can encourage vulnerable/disabled people to take different modes of public transport away from taxis.		
Transport	Supporting people to use active travel	N/A		
Waste	End of life disposal / recycling	No impact.		
Waste	Waste volume	Minimal increases from building waste.		
Adaptation	Drought vulnerability	N/A		
Adaptation	Flooding vulnerability	N/A		
Adaptation	Heatwave vulnerability	N/A		
Water Use	Improving water-use efficiency	N/A
