Information on voting

Every item which requires a decision to be made at a meeting of the Forum will be determined by a majority of the votes of members present and voting on the issue. In the case of an equality of votes the Chair will have a second or casting vote.

School and non school members are eligible to vote on all matters requiring authorisation or approval except:

- a) de-delegation is limited to the specific primary and secondary phase of maintained schools members;
- b) amendments to the school funding formula, for which the voting is restricted by the exclusion of non-schools members, except for PVI representatives; and
- c) retaining funding for statutory duties relating to maintained schools only is limited to maintained primary, secondary, special and PRU members.

It is the responsibility of the forum member to declare their 'disclosable pecuniary interest'. The forum member can make a short presentation at the start of the agenda item and then not participate in the discussions or vote on the item to which their interest is relevant.
