Subject: RE: 21/01364/LAPREV The Angel, 8 Carrington St, Kettering

Julie,

Just an early heads up.

I have so far been unable to contact the premises to organise my fire safety inspection as part of the licence review.

I have explained that if they continue to refuse I will report back to you that they did not co-operate but have so far heard nothing back.

I will send my final findings on the 19<sup>th</sup> as required.

Many thanks,
