**If this premises licence authorises the supply of alcohol, the following conditions must be complied with:**

1. No supply of alcohol may be made under the premises licence—
  - (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
  - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
2. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence
3. The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either—

- (a) a holographic mark, or
  - (b) an ultraviolet feature.
4. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

**If this premises licence requires the use of door supervisors.**

5. Where the premises licence includes a condition that at specified times one or more individuals must be at the premises to carry out a security activity, each such individual must
  - (a) be authorised to carry out that activity by a licence granted under the Private Security Industry Act 2001; or
  - (b) be entitled to carry out that activity by virtue of section 4 of that Act.

## **Explanatory Notes and Definitions for Mandatory Condition 8.**

### Definitions

“duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;

“permitted price” is the price found by applying the formula—

$$P = D + (D \times V)$$

where—

- (i) P is the permitted price,
- (ii) D is the rate of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
- (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;

“relevant person” means, in relation to premises in respect of which there is in force a premises licence—

- (i) the holder of the premises licence,
- (ii) the designated premises supervisor (if any) in respect of such a licence, or
- (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;

“valued added tax” means value added tax charged in accordance with the Value Added Tax Act 1994.

Where the permitted price calculated would not be a whole number of pennies, it shall be taken to be the price calculated rounded **up** to the nearest penny.

NOTE: This note is provided to give assistance in calculating prices, it is not a legal document. If you are unsure on any issue related to permitted prices, seek advice. Further information can be found about mandatory conditions can be found at <https://www.gov.uk/alcohol-licensing#mandatory-licensing-conditions>.

## **Annex 2 – Conditions consistent with the Operating Schedule**

The managers of our company are well experienced in the licensed trade and are supported by a dedicated team of individuals who understand the requirement of the current licensing legislation. Prior to the commencement of employment all managers and staff receive in house training covering all aspects of the Government's key objectives relating to the legislation to prevent the irresponsible or illegal consumption of alcohol and acknowledges the link to incidents of anti social behaviour, crime and violence. The company's refusal policy and the recording of refusal to serve logs are reinforced through out the year.

The company will install CCTV system to cover all areas to which the public will have access including entrances and exits. This system will have 24 hour recording facilities on to a recordable media such as a CD or tape and will keep recordings to cover a period of 31 days, which, on request will be available to the Police.

The company is aware of its responsibility in creating a safer working environment and to deter irresponsible or illegal consumption of intoxicating drinks and to support the staff in achieving these objectives both through continuous in house training and physical security measures. Further to this the company will adopt the Challenge 25 scheme whereby the staff will be required to check the identity of any persons wishing to buy alcohol who appears to be under 25 years of age. Posters will be placed in prominent positions highlighting the Challenge 25 scheme. The company will work in partnership with the local authority and the Police in achieving the objectives

The company is aware of its obligation in the prevention of crime and disorder and with the aid of the CCTV system installed will work in close partnership with the surrounding businesses in Dalkeith Place during the business hours and would also subscribe to the local authority's CCTV system and radio network. In order to meet the company's obligations to reduce the risk to the Health and Safety of its employees, members of the public, contractors and visitors to the store the company is committed to achieving high standards of Health and Safety and recognises that a number of its activities which it undertakes (or which are undertaken on its behalf) could potentially involve risk. To this end we are committed to taking all reasonable and practical steps to continually assess and adequately control Health and Safety risks and to include property and fire related issues and those which have the potential to impact directly on public safety. Health and Safety policies and procedures will be regularly reviewed, updated and the staff will be trained. Copies of the Health and Safety policies and procedures will be held on site and would be available on request. Risk assessments as referred to above would be conducted at the store. We are committed to run a good Health and Safety law abiding outlet.

The prevention of underage sales will be a very high priority. All the staff of the company will be required to take an in house refresher course throughout the year and this would coincide with the start of the school holiday period. Following the refresher course staff would have to sign a licensing declaration that would be

displayed in the staff area or statutory notice board. The store will have a 'refuse to serve policy' and will also operate the Challenge 25 scheme. The in store point of sale material would clearly state the law and our policy that proof of age is required where staff believe the purchaser to be underage. Our store would also operate a policy where if a member of staff believed that alcohol was going to be bought and supplied to a person who was underage the sale would be declined and the person attempting to buy the alcohol would be reported to the Police. Also available in the store will be the Portman Group age application forms. Where possible we will work in partnership with the relevant authorities to provide additional training to our staff.

The company in this respect will do all it can within the powers available to prevent public disorder and will take the licensing responsibilities very seriously. The company's staff will not serve any persons who are underage or under the influence of alcohol. The refused sale will be monitored and recorded through the refusal to serve procedure. The accumulation of individuals outside the store will be discouraged and to this effect we will work very closely with the Police, the Local Community Support Officers and subscribe to the town centre CCTV control room and radio networks.
