

## Equality Screening Assessment

The Equality Screening Assessment form must be completed to evidence what impact the proposal may have on equality groups within our community or workforce. Any proposal that identifies a negative impact must have a full Equality Impact Assessment completed before the proposal progresses further.

### 1: Proposal

Requirement	Detail
Title of proposal	Cottingham Neighbourhood Plan
Type of proposal: new policy / change to policy / new service / change to service / removal of service / project / event/ budget	New policy
What is the objective of this proposal?	The plan will guide development decisions within the parish of Cottingham. It will be used alongside the North Northamptonshire Joint Core Strategy and Part 2 Local Plan for Corby and other material considerations to make decisions on planning applications for individual development proposals in the parish.
Has there been/when will there be consultation on this proposal? (List all the groups / communities, including dates)	Preparation of the plan included extensive community engagement which started in 2019 and culminated in a successful referendum. Details of the engagement are set out in the Statement of Consultation prepared by the Parish Council.

Requirement	Detail
Did the consultation on this proposal highlight any positive or negative impact on protected groups? (If yes, give details)	No
What processes are in place to monitor and review the impact of this proposal?	Cottingham Parish Council has a duty to keep the plan under review. Section 10 of the Neighbourhood Plan sets out the monitoring arrangements.
Who will approve this proposal? (Committee, CLT)	Executive

## 2: Equality Consideration

In turn, consider each protected group to ensure we meet our legal obligations of the Equality Act (2010).

Protected Groups	General Equality Duty Considerations	Changes	Impact
	<ul style="list-style-type: none"> <li>• Include factual evidence of how people in this group may be affected.</li> <li>• Consider the outcomes and processes.</li> <li>• Does this seek to <b>eliminate discrimination</b>?</li> <li>• Does this promote <b>fostering good relations</b>?</li> </ul>	<ul style="list-style-type: none"> <li>• What changes can be made to mitigate any negative impact?</li> <li>• Are there opportunities to <b>remove possible barriers or disadvantages</b> that a group may face?</li> </ul>	<p>Delete as appropriate.</p> <p>There can be more than one answer per protected group.</p>
<b>Age</b> Different age groups that may be affected by the proposal in different ways.	<p>With regard to age, North Northamptonshire has a youthful population, with more than a fifth of the demographic being under 15 years old, but the North Northamptonshire Strategic Housing Market Assessment and the Study of Housing and Support Needs of Older People across Northamptonshire identify growth in older households as a pressing housing need facing North Northamptonshire in the future.</p>		Positive

Protected Groups	General Equality Duty Considerations	Changes	Impact
	<ul style="list-style-type: none"> <li>• Include factual evidence of how people in this group may be affected.</li> <li>• Consider the outcomes and processes.</li> <li>• Does this seek to <b>eliminate discrimination</b>?</li> <li>• Does this promote <b>fostering good relations</b>?</li> </ul> <p>The neighbourhood plan includes local planning policies against which development proposals will be considered. It will be the proposals themselves that will introduce new development that may affect protected groups, rather than the plan itself.</p> <p>The plan is in general conformity with the strategic policies of the North Northamptonshire Joint Core Strategy, which itself has been through an <u>Equality Impact Assessment</u>.</p> <p>Nonetheless, there are components of the neighbourhood plan that promote equality of opportunity and offer general benefit for all age groups. This is in respect of policies which will for example, improve accessibility, retain access to open space and address the need for older persons accommodation and identified housing requirements, including affordable, lower cost units.</p>	<ul style="list-style-type: none"> <li>• What changes can be made to mitigate any negative impact?</li> <li>• Are there opportunities to <b>remove possible barriers or disadvantages</b> that a group may face?</li> </ul>	<p>Delete as appropriate.</p> <p>There can be more than one answer per protected group.</p>

Protected Groups	General Equality Duty Considerations	Changes	Impact
	<ul style="list-style-type: none"> <li>• Include factual evidence of how people in this group may be affected.</li> <li>• Consider the outcomes and processes.</li> <li>• Does this seek to <b>eliminate discrimination</b>?</li> <li>• Does this promote <b>fostering good relations</b>?</li> </ul>	<ul style="list-style-type: none"> <li>• What changes can be made to mitigate any negative impact?</li> <li>• Are there opportunities to <b>remove possible barriers or disadvantages</b> that a group may face?</li> </ul>	<p>Delete as appropriate.</p> <p>There can be more than one answer per protected group.</p>
<p><b>Sex</b></p> <p>Is one sex affected more than another or are they affected the same?</p>	<p>Locally there are 51% females and 49% males in North Northamptonshire that mirrors the national picture<sup>1</sup>.</p> <p>The neighbourhood plan includes local planning policies against which development proposals will be considered. It will be the proposals themselves that will introduce new development that may affect protected groups, rather than the plan itself.</p> <p>The plan is in general conformity with the strategic policies of the North Northamptonshire Joint Core Strategy, which itself has been through an <u>Equality Impact Assessment</u>.</p> <p>The neighbourhood plan is inclusive to all members of the community and makes no distinction between genders. It is considered that the plan offers opportunity to have a positive impact on all characteristic groups.</p>		<p>Positive</p>

Protected Groups	General Equality Duty Considerations	Changes	Impact
	<ul style="list-style-type: none"> <li>• Include factual evidence of how people in this group may be affected.</li> <li>• Consider the outcomes and processes.</li> <li>• Does this seek to <b>eliminate discrimination</b>?</li> <li>• Does this promote <b>fostering good relations</b>?</li> </ul>	<ul style="list-style-type: none"> <li>• What changes can be made to mitigate any negative impact?</li> <li>• Are there opportunities to <b>remove possible barriers or disadvantages</b> that a group may face?</li> </ul>	Delete as appropriate. There can be more than one answer per protected group.
<b>Disability</b> It is likely to have an effect on a particular type of disability? Why?	<p>For example, the plan encourages high quality housing design, safe and connected parish, and enhanced access to open spaces and community facilities for all members of the community including women and men.</p> <p>In the 2011 Census 17% of residents reported a long-term condition that limited them this includes those with physical and mental disabilities as well as illness.</p> <p>The neighbourhood plan includes local planning policies against which development proposals will be considered. It will be the proposals themselves that will introduce new development that may affect protected groups, rather than the plan itself.</p> <p>The plan is in general conformity with the strategic policies of the North Northamptonshire Joint Core Strategy, which itself has been through an <u>Equality Impact Assessment</u>.</p> <p>Nonetheless, there are components of the plan that promote equality of opportunity and offer general benefit</p>		Positive

	for this group. This is in respect of policies which encourage high quality housing design, safe and connected parish, retention of access to open spaces and community facilities and policies that address the identified housing requirements in terms of housing mix, including meeting the needs of those with disabilities, including specialist housing.		
<b>Gender Reassignment</b> Will there be an impact on trans males and/or trans females?	<p>The Office of National Statistics recognises the need to improve data collection on the LGBT community, to enable service providers to be able to direct support to people and groups in the community.</p> <p>The neighbourhood plan includes local planning policies against which development proposals will be considered. It will be the proposals themselves that will introduce new development that may affect protected groups, rather than the plan itself.</p> <p>The plan is in general conformity with the strategic policies of the North Northamptonshire Joint Core</p>		Positive
