##### **4. Report Background**

---

- 4.1 Since 1<sup>st</sup> April 2022, the Council's Internal Audit service is now delivered by an in house audit team, led by the Chief Internal Auditor. An Internal Audit Charter and Strategy had been approved by the Audit and Governance Committee in July 2021, under the former shared service. In order to align the approval of the document with the start of the new financial year, and to reflect the approach and structure of the new in house service, the Charter and Strategy has been fully reviewed and is presented to the Committee for approval.
- 4.2 The Charter and Strategy is aligned with the Public Sector Internal Audit Standards and establishes Internal Audit activity's position within the Council and reporting lines. The Charter confirms that Internal Audit is authorised to access records, personnel and physical property relevant to the performance of audit work and defines the scope of Internal Audit activities. As such, a copy of the Charter and Strategy has been shared with the Council's Corporate Leadership Team to ensure that all are aware of the remit and access rights of Internal Audit and are supportive of the audit process.
